Meet Flowlane

The scheduling platform for field service teams

The problem

- Dispatchers juggle 5+ tools a day
- 23% of visits are rescheduled
- Technicians lose 1.5 hours a day to admin

Flowlane in numbers

3,200

customers

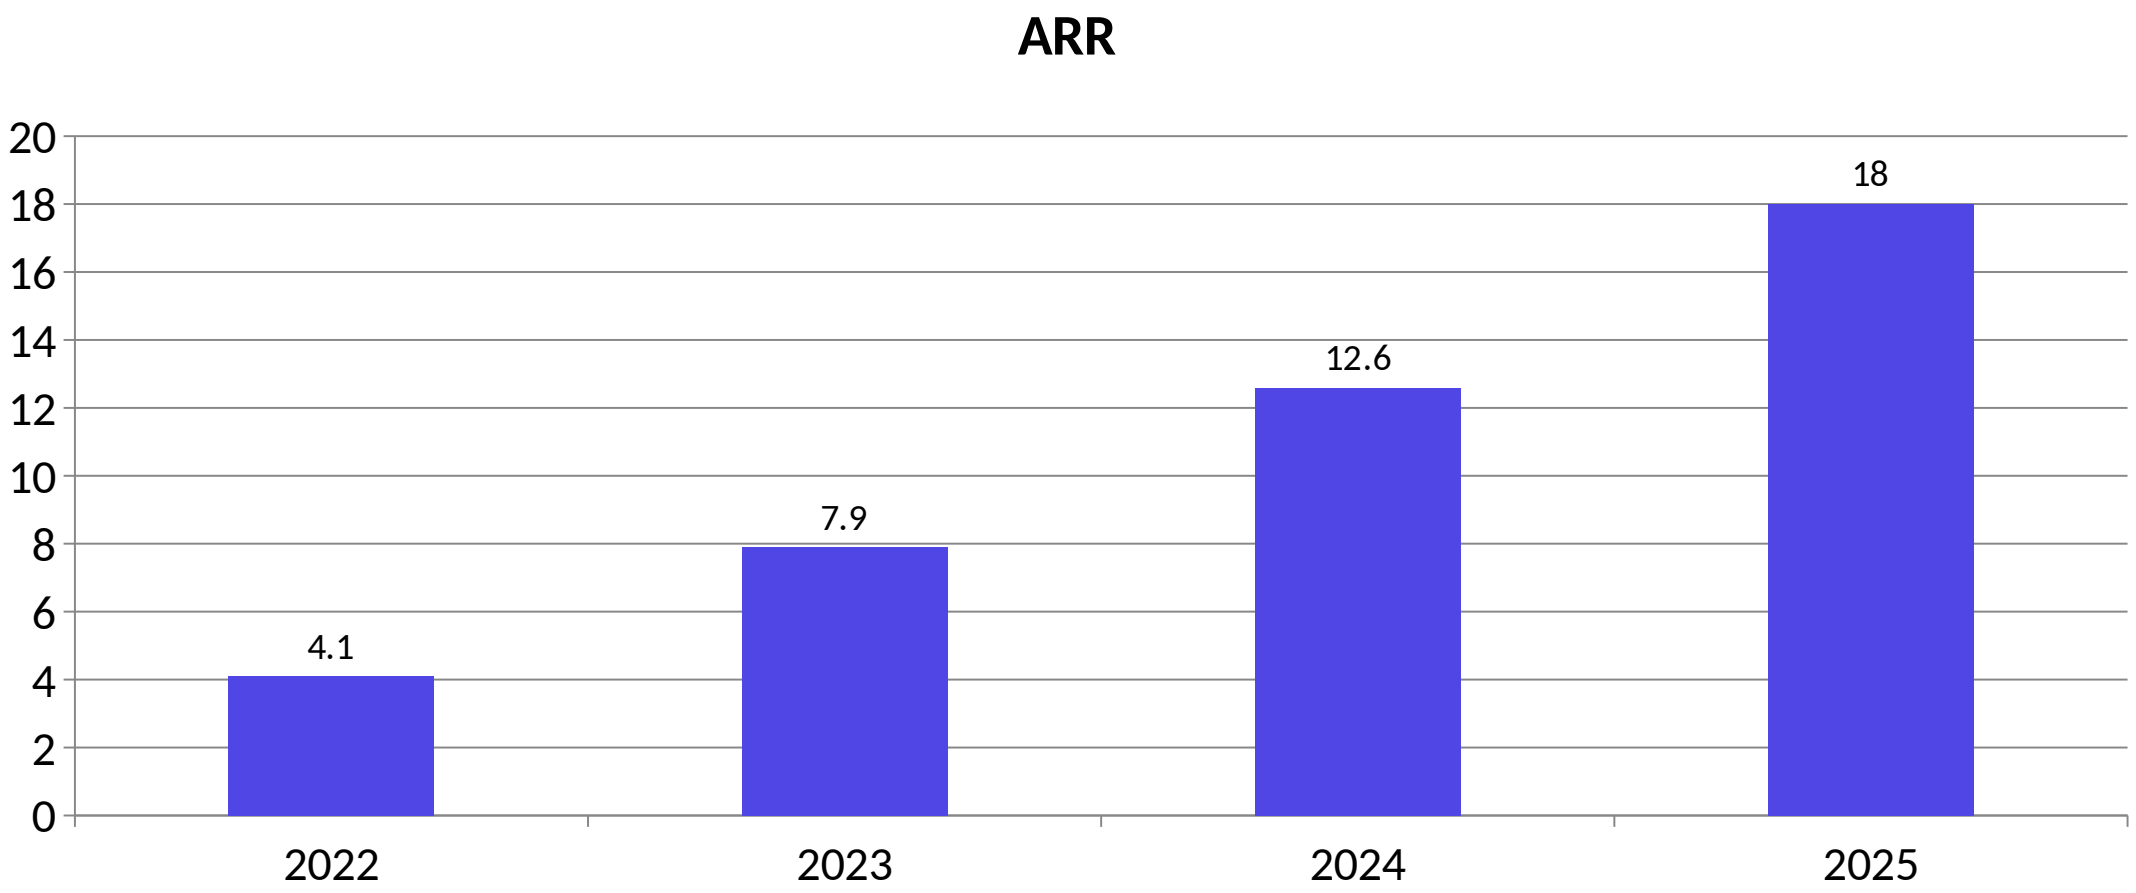
41%

fewer reschedules

$18M

annual recurring revenue

ARR growth ($M)



How it works

- Smart routing that learns from every visit
- One mobile app for technicians
- Live ETA links for customers

“Flowlane gave our dispatchers their afternoons back.”

— Operations lead, Brightwater Utilities

Roadmap

Q1	Q2	Q3	Q4
AI dispatch assistant	Parts inventory	Offline mode	Partner marketplace
